

## Editorial and Readership Profile

The annual *IFTA Journal* publishes original, well-documented papers and articles on a diverse range of topics related to the technical analysis of financial and commodity markets. The *Journal* provides colleagues and interested persons with continuing education in Technical Analysis (TA). The broad editorial content helps colleagues remain informed of the developments and leading body of work in Technical Analysis.

The *IFTA Journal* is the only international journal of technical analysis reaching a global audience of interested and dedicated practitioners of TA throughout the financial community. It is received and read by Analysts, Fund Managers, Financial Writers and other decision makers throughout the international financial industry.

The *IFTA Journal* is the key print publication distributed worldwide to over 7000 IFTA colleagues and delegates at the yearly IFTA International Conference.

At selected meetings and seminars, the *IFTA Journal* will be promoted and distributed, building awareness, visibility and providing extra exposure for your message.
